Students initially entering Miami-Dade County Public Schools must have at least one Emergency Student Data Form completed by a parent as a part of the registration process. The Emergency Student Data forms in English, Spanish and Haitian Creole are available online on Forms Management. The information on this form must be updated annually for all students in membership or when parents provide additional or new information regarding the student. **Only the parent who enrolls the student may withdraw or transfer the student.** Specific procedures for releasing students during the school day are as follows:

1. The **Authorization for Release of Student from School** section of the emergency Student Data Form must contain the name of any person(s), other than parents, who are authorized to pick up the student during the school day. A parent, as identified on the front side of the Emergency Student Data Form must sign this authorization.

2. In instances where parents are divorced or separated, the action of the school will be governed by the information on the **Authorization for Release of Student from School** section of the Emergency Student Data Form. The enrolling parent is responsible for completing the card, and for notifying the school of additional or new information during the school year.

3. The school administrator or designee (preferably assistant principal or counselor) must be responsible at the school to release a student during the school day. This school official must review the **Authorization for Release of Student from School** section of the Emergency Student Data Form to ensure that the person requesting the student is authorized to remove the student. **Under no conditions should students working in school offices release other students; students should only be released from the main office.**

4. Only individuals listed on the **Authorization for Release of Student from School** section of the emergency Student Data Form are allowed to take students from school during the school day – provided they are identified as follows:

   a. Individual’s driver license, or other identification card (photo ID preferred);
   b. Individual is identified by student being picked up if picture ID is not presented; or
   c. Individual is identified by school personnel.

5. Individuals who do not provide the identification information listed above, **and** are authorized to pick up children from elementary schools should have a signed note from the parent on file and/or a phone call should be made to the parent for purposes of identification.

Other than a parent, a person whose name is **not** on the **Authorization for Release of Student from School** section of the Emergency Student Data Form is **not** permitted to pick up the student early, or at the end of the school day. The parent must be contacted to seek authorization. **No release shall be permitted regardless of the person’s relationship to the student, until the parent approves.**
Instructions have been developed in three languages to assist parents in completing the Emergency Student Data Form. For assistance, you may access the link provided herein: Initial Entry Registration Procedures Handbook 2018-2019.

For information regarding release of students to law enforcement officers or to the Florida Department of Children and Families, staff should contact the Children’s Court house, 305-679-2800 or the District/School Operations Juvenile Support Office at EDAT@dadeschools.net.

For students who are pre-registered (future) in DSIS, two preprinted forms will be sent to each school by Information Technology Services (ITS) in August of each year. The pre-printed information represents the most recent data available on the District Student Information System (DSIS).

B. HOME LANGUAGE SURVEY FORM, FM-5196

The Florida Department of Education in accordance with the META Consent Decree which addresses the civil rights of ELL students mandates that every student initially entering Miami-Dade County Public Schools be asked a series of three questions, as part of the registration process. The Home Language Survey, FM-5196, is available in English, Spanish, and Haitian Creole.

C. AGE AND LEGAL NAME VERIFICATION

Florida Statute 1003.21, School Attendance, specifies the evidence required to establish proof of birth, and alternative options if the first prescribed evidence is not available, in the prescribed order, as provided below. Review Glossary in Appendix 2 for definition of terms.

a. A duly attested transcript of the child’s birth record filed according to law with a public officer charged with the duty of recording births (original birth certificate); hospital certificate is not acceptable. Birth certificates issued as of January of 2013 to present cannot be photocopied. Complete the Verification of Birth Certificate Form, FM-6982, with the student information provided on the original birth certificate; or

b. A duly attested transcript of the certificate of baptism showing the date of birth and place of baptism of the child, accompanied by an affidavit sworn to by the parent; or

c. An insurance policy on the child’s life which has been in force for at least two years; or

d. A bonafide contemporary religious record of the child’s birth accompanied by an affidavit sworn to by the parent; or

e. A passport or certificate of arrival in the United States showing the age of the child. Since the passport or certificate of arrival cannot be copied, you must complete the Verification of Student Information on Passport, Parolee Card or Certificate of Arrival, FM-6670; or

f. A transcript of record of age shown in the child’s school record of at least 4 years prior to application, stating date of birth; or

g. If none of these evidences can be produced, parent must supply an Affidavit of Age, FM-4681, available in English, Spanish, and Haitian Creole, sworn by the parent, and accompanied by a Certificate of Age signed by a public health officer or by a public school physician, or, if practicing physician designated by the school board, which certificate shall state the health officer or physician has examined the child and believes that the age as stated in the affidavit is substantially correct.
BIRTH CERTIFICATE
Parents are to provide proof of age for their child. School site personnel may provide parents information on how to request original birth certificates. Hospital Certificates are not acceptable. If available, a copy of the birth certificate is to be placed in the student’s Cumulative Record Folder, and the birth registration number is to be recorded in the appropriate place on the Cumulative Record Folder.

APPLYING FOR A BIRTH CERTIFICATE
Birth certificates are to be requested from the Bureau of Vital Statics appropriate to where the child was born. The requester (parent) must provide specific information at the time of the request, along with any associated fees for processing. A chart has been prepared by State for your convenience. (Appendix 5)

LEGAL NAMES OF STUDENTS
School Board Policy 5200-Attendance states that requests from a parent to enroll a child in a public school under a name other than the legal name may be granted on a temporary basis provided court action is in process to make the assumed name legal. Official school records must list both the legal name and assumed name of the student. Students entering a District school for the first time must have an Emergency Student Data Form completed with both legal and assumed names shown.

A student’s legal name should not be changed on any of the student’s records without a legal document noting the change. Upon registration, the staff person who is initially entering a student’s name into DSIS should enter the student’s name as it appears on the legal document. Do not enter the name the parent wrote on the Emergency Student Data Form. It is imperative that the legal document be used to enter information in the District Student Information System (DSIS).

When a student’s name, birth date, sex, ethnicity or place of birth is initially entered incorrectly, or when a legal document is provided with different information, you must submit a Heat-Self-Service Ticket to the Federal and State Compliance Office along with the Change of Data Form, FM-0735, and any documents to support the change.

NAME AND PRONOUNS
School staff should address students by their chosen name and pronouns that correspond to their gender identity, regardless of whether there has been a legal name change. Upon request, the chosen name and gender should be included in the district’s information management systems, in addition to the student’s legal name. District-generated student email addresses should also reflect the student’s chosen name, if first names are identifiable in such addresses. These changes inform all staff, including substitute teachers, of the name and pronoun to use when addressing the student, and help avoid inadvertent disclosures.

Students who have a formal name change with proof of court documents must submit an amended birth certificate to finalize the change in our District Student Information System (DSIS).
For assistance with accommodating students with a chosen name, please contact the Division of Student Services.

D. RACE/ETHNICITY

There are six data elements for reporting race and ethnicity for students in Florida public schools. They are:

- Ethnicity
- Race: American Indian or Alaska Native
- Race: Asian
- Race: Black or African American
- Race: Native Hawaiian or Other Pacific Islander
- Race: White

One element is used to report ethnicity - whether or not the person is of Hispanic/Latino origin.

Five elements are used to report race. Each student may have up to five race elements. A student may have more than one race element with at least one race element identified.

E. EVIDENCE OF CUSTODY/ GUARDIANSHIP

If the student is residing with someone other than the parent or legal guardian, the following provisions shall apply:

1. If the parent lives within Miami-Dade, Broward, Palm Beach or Monroe counties, the parent must provide documentation of custody by an appropriate state agency such as the Florida Department of Children and Families or the court. To obtain guardianship of a student, the legal parent must submit to the school a power of attorney that has been properly executed by the legal system, the receipt of affidavit from the Family Court, and valid photo identification. Applications for temporary custody of minor children by extended family can be obtained at the Lawson Thomas Courthouse at 175 NW 1st Ave., Suite 2441, Miami, Florida, 33128, 305-349-7800.

2. If a parent resides within Miami-Dade, Broward, Palm Beach or Monroe counties and the student lives in a residence licensed by the Florida Department of Children and Families, the student may be registered and enrolled in the school that serves that licensed residence.

3. If the parent lives outside of Miami-Dade, Broward, Palm Beach or Monroe counties, the school may accept a notarized statement from the parent identifying the person assuming responsibility for the supervision of the child.

F. VERIFICATION OF ADDRESS

Verification of parent’s residence shall be required at the time the child registers in a District school. At the discretion of the Superintendent, verification of residence may be required at any other time during the school year. The student shall reside with the parent placing the student in the neighborhood school.

Verification of address requires two (2) of the following:

A. Broker’s or attorney’s statement of parent’s purchase of residence, or properly executed lease agreement;
B. Current Homestead Exemption card; and/or
C. Electric deposit payment receipt or electric bill, bottom portion, showing name and service address.

If verification is not provided or submitted documents not acceptable, the Superintendent may verify the student's residence address.

If an electric deposit payment receipt is used as verification, the electric bill, bottom portion, must also be submitted to the school within forty (40) calendar days after registration. If the parent is unable to furnish the school with the requested electric deposit receipt, the student will be allowed to reenroll in the new school, but must submit the electric bill, bottom portion, to the school within forty (40) calendar days.

When a change of family residence occurs after ninety (90) school days in which a student is enrolled in a school which would place the student in a different attendance area, the student, upon the request of the parent, may complete the year in the present school. No transportation will be provided.

When a change of family residence occurs after ninety (90) days in which a student is enrolled in grades 11 through 12, or is enrolled in the last grade offered at a school, which would place the student in a different attendance area, the student, upon the request of the parent, may remain in the present school through graduation (for grades 11 through 12), or the last grade offered at the school. No transportation will be provided.

Florida Statute 837.06, False Official Statements, states that any parent who knowingly makes false statements in writing with the intent to mislead a public servant will be penalized by law - Miami-Dade County Public Schools Statement of Bonafide Residence, FM-7444.

G. DISCLOSURE AT TIME OF REGISTRATION, FM-5740

Florida Statute 1006.07, District School Board Duties Relating to Student Discipline and School Safety, requires at the time of initial registration for school, that students disclose any previous school expulsions, arrests resulting in a charge, juvenile justice actions, and referrals to mental health services the student has had. The School Board of Miami-Dade County, Florida has the authority as the receiving school district to honor the final order of expulsion or dismissal of a student by any in-state or out-of-state public district school board, private school, or charter school, for an act which would have been grounds for expulsion according to the receiving district school board’s code of student conduct.

of DCF supervised children and youth. These children and youth may be placed in
licensed foster care, relative care (which may include a biological parent),
temporary shelter, or in a licensed group home. Schools may not withdraw or
transfer a student under the supervision of DCF without the written approval of the
Juvenile Justice Support Office (JJSO), School Operations.

The Our Kids full case management agency which is responsible for the direct
supervision of a dependent student is identified by a letter in the DCF field on the
District Student Information System (DSIS) Student Information Screen (PF3)
screen (See section – Our Kids Full Case Management Agency DCF Flag
Designations).

School-sites are electronically blocked from withdrawing or transferring a
dependent student. Therefore, M-DCPS personnel are advised to contact the
JJSO immediately at 305-679-2800 if an individual or agency does not present the
appropriate documentation from the JJSO, and is requesting to withdraw or
transfer a dependent student.

Please note that a student may be removed from school at any time by DCF in the
course of an investigation, but may not be withdrawn or transferred from his/her
school without prior approval from the JJSO.
Out of Area Transfer – Dependent Students (Appendix 11)

In order for the student who has been placed in a home outside his/her current school boundary, to remain at his/her school of origin, JJSO staff will complete a CONFIDENTIAL School Operations Juvenile Justice Support Office (JJSO) Educational Review Form (FM-7536) and enter a transfer code of “J” in the District Student Information System (DSIS). All such transfers will be requested, completed, and approved by the JJSO.

Schools are to immediately direct DCF Child Protective Investigators (CPI), full case managers, foster parent/legal guardians, or anyone wishing to withdraw or transfer a dependent student to the JJSO by calling 305-679-2800.

School Transfers – Dependent Students

If a best interest transfer has been approved by the JJSO, an Educational Review Form (FM-7536) for the transfer of a dependent student will be completed at the JJSO and provided to the DCF CPI or full case manager. Subsequently, JJSO staff will withdraw the student by entering a “W13” withdrawal code. The DCF CPI, full case manager, foster parent, and/or legal guardian is to present the completed Educational Review Form and register the student at the receiving school within twenty four (24) hours.

The individual registering the student is not to be directed back to the sending school to withdraw the student. The receiving school’s registrar is to submit a HEAT ticket with the attached JJSO approval form to the Federal and State Compliance Office (FASCO) in order to enroll the student.

School-site personnel must ensure that the student’s emergency contact information is immediately updated when a change in home placement and/or guardianship has occurred. Individual names must be listed on the data card or sheet.

Any books or other school materials the student has with him/her should be sent back to the sending school via school mail. Schools may not deny the transfer of a student under the supervision of DCF for lost books, materials, or a financial debt. The students’ parents remain responsible for financial obligations.

New Student Enrollment

For new students to M-DCPS, the registrar of the receiving school will assist the full case manager, DCF CPI, or parent/guardian, in completing the Dependent Student Address Verification Form (FM-6536) and may contact the JJSO if additional assistance is needed.

The registration of a student under the supervision of DCF MUST be expedited and the lack of documentation may not delay the student’s enrollment in school.

E. NON – M-DCPS STUDENTS - LOCATION 8013 (Appendix 10)

A procedure was developed to assign identification numbers for non M-DCPS
students that are tested through the psycho-educational evaluation process.
When a request for evaluation, FM-2561, is completed for non-MDCPS
students, a designee at the site must contact the Federal and State
Compliance Office at 305-805-8563, to facilitate the assignment of a student
to location 8013 and to process the request for a student identification
number, or to have an inactive student reactivated into location 8013 for
testing. The student will remain assigned to location 8013 until the student
officially registers at an M-DCPS site.

The following student information is required to process the assignment to
location 8013:

- Copy of the birth certificate sent via e-mail to Ms. Rosa Roman at
  RRoman@dadeschools.net;
- Current address;
- Current telephone number (if possible); and
- Current grade level
F. TEENAGE PARENT PROGRAM (TAP) – ENROLLMENT PROCEDURES FOR SCHOOL REGISTRARS

1. When a teen parent returns from the Early Learning Coalition Eligibility Center or Approved Contracted Daycare Provider with a completed application, the registrar should enter the infant into DSIS **within 24 hours** and issue that infant an M-DCPS student identification number, if one hasn't already been assigned. The infant should be entered into school location 8016 and the section should be 999. If you are unable to enter an infant, please contact the TAP office. Infants cannot be entered into the DSIS system without the parent first being TAP qualified and Single Parent Coded.

- Infants whose parent was attending one of the COPE centers or those re-entering the TAP program should already have M-DCPS student I.D. numbers. *(Please check before issuing a new student I.D. number.)* Some infants who have I.D. #’s assigned from COPE may have had a change of last name. If so, please complete a HEAT ticket, attach the birth certificate, and forward to the Federal and State Compliance Office.

- When entering the student and infant into the dropout prevention screen using the eligibility forms, please complete the three TAP survey questions at the bottom of the TAP screen.
  
  o Enter the number of children using numbers 1-9
  o Enter whether the infant weighed 5 pounds, using either **Y** for Yes or **N** for No.
  o Enter the ancillary services the student is eligible to receive: **H**=Health care, **C**=Child care, **S**=Social service and **T**=Transportation. All four must be listed.

The student’s and infant’s TAP eligibility codes must be entered into DSIS on the student’s Dropout Prevention Information Screen (PF4 then PF19).

  o Also listed on the eligibility forms is the single parent coding. This code is entered on the student’s Miscellaneous Information Screen (PF20). Single Parent Coded data is collected to benefit the Carl D. Perkins Grant.

2. Once the infant has been registered, the registrar needs to put the following documents in a labeled folder, inside the mother’s official cum. If the student transfers to another school, copies of all TAP information must be forwarded to the new school via the cumulative folder.

**Documents:**

- Eligibility forms for parent and infant
- Parental Decision Letter
- TAP application

IMPORTANT
MESSAGE TO PARENTS
HEALTH REQUIREMENTS FOR SCHOOL ENTRANCE 2018-2019

Florida law requires that your child presents immunization documentation prior to admittance or attendance in a Florida school for the first time. This applies to ALL new students in Pre-Kindergarten through the 12th grade. You must present a Florida Certificate of Immunization-DH-680 form, or DH-681-Religious Exemption when registering your child/children for school. The form can be printed on plain white paper if printed from the Florida State Health Online Tracking System (FL-SHOTS).

PLEASE NOTE: For the 2018-2019 school year, parents/guardians MUST provide documentation of the following:

- One (1) dose of Varicella (chicken pox) vaccine for students in Pre-Kindergarten, eleventh, and twelfth grade.
- Two (2) doses of Varicella (chicken pox) vaccine for students in Kindergarten, first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, and tenth grade entering, attending, or transferring into school.
- Varicella (chicken pox) vaccine is not required if the child has a documented history of the varicella (chicken pox) disease.
- One (1) valid MMR (Measles, Mumps, Rubella) doses for students enrolling in/attending pre-kindergarten.
- Two (2) valid MMR (Measles, Mumps, Rubella) doses for students enrolling in/attending grades kindergarten, first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth, eleventh, and twelfth grade.
- Pneumococcal conjugate vaccine is required for students 2 months to 59 months old.
- The final dose of IPV (polio) must be administered on or after the child’s 4th birthday for entry into Kindergarten through twelfth grade. If the 4th dose was administered prior to the 4th birthday, if all 4 polio doses were administered prior to the 4th birthday.
- The final dose of diphtheria, tetanus, pertussis vaccine (DPT/DTaP) must be administered on or after the child’s 4th birthday for entry into Kindergarten through twelfth grade. If the 4th dose was administered prior to the 4th birthday.
- Tdap is required for ALL students entering, attending or transferring into seventh (7th) grade.
- Hepatitis B vaccine series for children enrolling in/attending grades pre-kindergarten through twelfth grade (Pre-K-12th).

The “Florida Plan for School Health Services” requires all students (PK-12) must submit documentation of a student health examination performed within the 12 months’ prior to the initial entry into a Florida school. A student health examination, including proof of a Tuberculosis Clinical Screening and appropriate follow-up if necessary MUST be completed and signed by a medical provider and presented to the school at the time of registration. The school entry health exam should be completed on the Student Entry Health Exam DH-3040 form. When using the Student Entry Health Exam DH-3040 form, parents/guardians must complete page one (1). A medical provider may use their own document when completing the school entry health examination.

Parents/guardians should consult with their private medical provider for the above requirements before registering your child for school. If you do not have a private medical provider, please contact the Florida Department of Health in Miami-Dade County Special Immunization Unit by calling 786-845-0550 to schedule an appointment to receive FREE school age vaccines. Parents/guardians can also contact “The Children’s Trust” Helpline at 211 to obtain a list of medical facilities that will provide immunizations at a reduced price.

We remind parents/guardians of the importance of vaccinating their child/children against the influenza for the next flu season. Please contact your child’s school for more information regarding when FREE flu vaccines will be offered at your child’s school during the 2018-2019 school year. Parent/guardian must complete and sign the Emergency Contact Cards. If you have any changes in address or telephone numbers during the school year, please notify the school immediately.
La ley de Florida requiere que su niño presente la documentación de inmunización antes de la admisión o asistencia en una escuela de Florida por primera vez. Esto se aplica a todos los estudiantes nuevos en pre-kindergarten hasta el 12º grado. Usted debe presentar un certificado de la Florida de la inmunización-DH-680 forma, o DH-681-exención religiosa al registrar a su niño/niños para la escuela.
