Be a School Volunteer is a Web-based application developed to facilitate and expedite the process of becoming a school volunteer. Employees, Parents, Students and Community members will be able to apply online to different locations for different service activities.

Parents/Guardians and Community members must have an account with Miami-Dade County Public Schools (M-DCPS) to be able to access the Be a School Volunteer application on the Portal. This user guide will provide instructions on how to apply to become a school volunteer.
