GRADUATION GUIDELINES

Graduation from Miami-Dade County Public Schools indicates that students have satisfactorily completed all requirements of law and standards for high school graduation as prescribed by the State and School Board.

At appropriate times during the school year the staff will arrange for awards and recognition programs and graduation exercises. There will be no formal graduation exercises for elementary and middle schools.

The purpose of *Graduation Guidelines* is to answer many of the questions that arise during a school's preparation for its commencement exercises. The guidelines are written in a question-and-answer format to provide a more "user friendly" presentation of the issues and should be used in conjunction with *Protocol Guidelines for Official School Board Events*.

Is there a graduation timeline for Activities Directors?

A graduation timeline can be found in the *M-DCPS Student Activities Handbook* on pages 96-98, (<http://athleticsactivities.dadeschools.net>). For your convenience, a copy of that timeline has been attached to this document. (See Attachment 1)

Where can I find a list of all high school graduations?

Go to (<http://athleticsactivities.dadeschools.net>) there is a link on the home page to a listing of all Miami-Dade County Public Schools (M-DCPS) graduations, including the site, the date, and the time.

What must be included in the graduation program?

- Name of the Superintendent (See Attachment 2)

- Names of school site administrators
- Names of feeder pattern principals (Middle Schools, K-8 Centers and Elementary Schools), where applicable

- Indication of cum laude, magna cum laude, summa cum laude, and Superintendent's Diploma of Distinction for designated graduates

- Order of the ceremony
- Date of the ceremony
- Disclosure Statement (See Attachment 3)
- Non-discrimination Statement (See Attachment 4)

Platform guests' names are not to be included in the program; however, they should be introduced during the graduation ceremony by the Principal. The School Board Member of senior high schools in his or her district may request to bring greetings at the graduation ceremony. If they wish to bring greetings, their name should be included in the program. The School Board Member should be listed in the program according to the following examples:

**The Honorable _____, Chair
The School Board of Miami-Dade County, Florida**

**The Honorable _____, Vice Chair
The School Board of Miami-Dade County, Florida**

**The Honorable _____, Member
The School Board of Miami-Dade County, Florida**

Be certain that all names are spelled correctly, and the appropriate title is listed.

What should be included in the graduation ceremony?

- Flags should be visible on stage (U.S. Flag/State of Florida Flag)
- Processional (music must be played as dignitaries process)
- Script Binder must be placed on podium
- Pledge of Allegiance (**Male graduates are to remove their caps**) – refer to School Board Policy 8810 – THE AMERICAN FLAG

- Introduction of Honored Guests
- Reflections/Speeches: The speeches should adhere to school custom and be limited to three to five minutes in length
- Presentation of Diplomas
- Conferring of Diplomas
- Concluding Remarks
- Recessional

Schools may choose to include more in the program; the items listed above are the minimum.

What are the guidelines concerning student speeches at graduation?

M-DCPS will no longer recognize a valedictorian and salutatorian. The students who speak at graduation should be selected by the school. Many schools designate the Student Government President and the President of the senior

class to speak. Some schools conduct auditions for the right to speak at graduation; students should submit their speeches and perform the speeches orally before a committee composed of administrators, faculty, and students. Students who have earned the right, either through auditions or by virtue of holding a particular designated office, to deliver speeches at graduation should meet with the principal or a designee prior to the occasion to discuss their rights and responsibilities regarding free speech and expression as follows:

- The rights of students to prepare speeches on their own without undue restrictions or interference.
- The process by which students may, if they so choose, obtain staff assistance in preparing their speech, e.g., research, writing, timing, and delivery.
- An explanation and definition of speech that is not protected by law or the First Amendment, e.g., obscene as to minors; defamatory, including libel and slander; and materially and substantially disruptive of school activities.
- Although students have the right to express themselves freely, the Supreme Court has indicated that there are limits to the expression, particularly when there are minors involved. In *Bethel v. Fraser* (1986), the Court upheld that a student delivering a lewd speech to minors could be suspended:
“Students do not shed their constitutional rights at the school door and may exercise their right to freedom of expression unless that right materially and substantially interferes with the requirements of appropriate discipline or conflicts with the rights of others in the school.”
- Information about the graduation ceremony and the student’s responsibilities to the audience and the occasion.
- The right of student speakers, regardless of how they were selected, including competition in a speech-writing contest, to subsequently modify their presentation without staff approval or consent.
- A warning that students whose speech is determined to fall into one of the classifications as stated above, that is not protected by the First Amendment, may, depending on the nature and specific circumstances, be required to conclude or modify their presentation.

Please refer to *Procedures for Promoting and Maintaining a Safe Learning Environment, Student Expression*, for further information (<http://ehandbooks.dadeschools.net/policies>).

Also, in accordance with Board Policy 5722 – School-Sponsored Student Publications, Productions, and Performances, commencement speeches are included as a form of communication that is part of the broad definition of freedom of speech and expression. The student delivering the speech is to be free from arbitrary censorship. If a student chooses to deliver a speech that includes a prayer, this is not in violation of the Supreme Court ruling (*Lee v.*

Weisman, 1992) banning student-led prayer at graduation ceremonies as long as:

- Student speakers are selected on purely neutral and secular criterion
- Student speakers are given “free reign over the content of the presentations”

What should be written on the tickets? What type of tickets should be used?

- If counterfeiting of tickets will be an issue, you may consider using tickets that cannot be readily duplicated. Distribute tickets as close to the ceremony as possible to cut down on the time available to counterfeit them.
- The school’s policy on the number of tickets must be publicized in writing and distributed to students at least two months prior to the ceremony.
- The tickets should reflect the following:
 - School Name
 - Graduation 20__
 - Site Name and Address
 - Date and Time
 - Doors Open: _____ Please Be
 - Seated by: _____
 - Admit OneCheck with your graduation site for additional specifications
- If the school is not permitting photographs or videotaping during the ceremony, this statement should be included on the ticket.
- The tickets may include other information that the school deems pertinent.
- Fifteen tickets should be hand delivered to the Division of Athletics, Activities and Accreditation located at 9040 SW 79th Avenue, Miami FL 33156.

What pre-graduation planning should be done with the students?

School administrators shall meet with the students participating in the graduation ceremony to review proper dress, graduation etiquette, and appropriate behavior (i.e. no decoration of caps, no cell phone usage, etc.). Graduation procedures and guidelines must be provided to each student in **writing** at least one month prior to the ceremony.

SAFE NETWORK- ASSUMED NAME AND PRONOUNS

- Miami-Dade County Public Schools’ SAFE Network is a suicide prevention program under the Division of Student Services, whose mission is to ensure a safe and affirming environment for LGBTQ students by building comprehensive and inclusive programs that support all students.
- Under federal laws, the 14th Amendment of the U.S. Constitution (Equal Protection), the First Amendment of the U.S. Constitution, Title IX of the Education Amendment Acts of 1972 and School Board Policies 5517 & 5517.01 students have the right to be free of discrimination and

harassment based on their gender, gender identity or expression, or sexual orientation.

- Based on these laws our students are entitled to accommodations to ensure they are affirmed in school and can learn in a safe and supportive environment. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.
- The following are best practices our schools should be following:
 - **Dress Code:** Students should have the right to express their gender at school, within the parameters of the school's dress code, without discrimination or harassment. The school's dress code should be gender-neutral and not restrict a student's clothing choices on the basis of gender. In the event that the dress code has differing expectations or practices based on gender, students should be permitted to dress in accordance with their gender identity.
 - **Names and Pronouns:** School staff should address students by their chosen name and pronouns that correspond to their gender identity, regardless of whether there has been a legal name change. Upon request, the chosen name and gender should be included in the district's information management systems, in addition to the student's legal name. District-generated student email addresses should also reflect the student's chosen name, if first names are identifiable in such addresses. These changes inform all staff, including substitute teachers, of the name and pronoun to use when addressing the student, and help avoid inadvertent disclosures.
 - **Privacy and Confidentiality Regarding Disclosures:** Transgender and gender expansive students have the right to decide when, with whom, and to what extent to share private information. When contacting the parent/guardian of a transgender or gender expansive student, school staff should use the student's legal name and the pronoun corresponding to the student's assigned sex at birth, unless the student or parent/guardian has specified otherwise.
- Ensure prior to graduation if any student has an assumed name in our District Student Information System (DSIS), or if any student is being referred with an assumed name and inform, they will be able to complete a card at graduation which allows them to write the name they want to use. Students who have a legal name change with proof of court documents must submit an amended birth certificate to finalize the change in DSIS. For assistance with accommodating students with an assumed name, please contact Gladys Duran, Curriculum Support Specialist, Division of Student Services (305) 995-1778. For accommodations with an assumed name on a diploma, please contact the FASCO office Reva Vangates (305) 883-5323.

- If you have any questions about M-DCPS SAFE Network and support for LGBTQ students, please call Ms. Gladys Duran, LCSW at (305)995-1778.

What are graduation site visits? Who should attend?

During March, graduation site visits will take place. At these meetings, each site reviews its policies and procedures. The site visit is mandatory for each school's Activities Director. Other administrators and school personnel are welcome to attend at the discretion of the senior high school principal.

What about pictures and/or videotaping at graduation?

Many schools arrange for a photographer to take the pictures of graduates. This is done through a Proposal for Photographic Services for Commencement (Form No. 6798) which must be submitted to at least three different vendors.

- Many schools also arrange for a videotape to be made of the graduation ceremony. This must also be done through a Proposal for Video Services for Commencement (Form No. 7001) and submitted to at least three different vendors **unless** an M-DCPS club is doing the videotaping.
- If a M-DCPS school club is doing the videotaping as a fundraiser, the provisions in Section IV, Chapter 2 (K) (15) in the *Manual of Internal Fund Accounting* must be met. (See Attachment 5).
- If pictures or videotaping is taking place during the graduation, the following message must be posted on signs at all entrances to the site: **This event is being videotaped. By entering the event, you are giving your permission to be recorded and to have your likeness used in the final product.** (See Attachment 6)
- A school may choose not to allow parents to take photographs or to videotape. If this is the case, then this notice must be included on the tickets and posted at all entrances.

How are parking passes/VIP parking passes issued for graduation?

School Operations will issue these passes. Passes to the appropriate sites will be delivered to School Board Members, The Superintendent, the Superintendent's Senior Staff, and Region Staff Members. The remainder of a school's passes will be given to the school to distribute to other individuals selected by the school. The number of passes will vary according to the graduation site. Please be sure that the distinguished guests attending the school's graduation know where to park. A pre-graduation phone call by the school to guests is the best policy to use to advise them of parking procedures and appropriate attire for your school's graduation.

Who pays for the stage flowers, decorations, programs, and/or other materials used for graduation?

Fees to pay for flowers, decorations, programs, and/or other materials used during the commencement ceremony **shall not be imposed on students.**

These types of items are considered optional; therefore, the graduating class members shall decide on the options available and budget for the projected expenses from fundraising proceeds of the activities conducted during the year. Students should not be required to pay personally for honorary regalia. Such regalia should be paid for through club dues or school funds. Clubs can also fundraise to cover these costs. At the principal's discretion, some of these expenses may be paid from the school's Special Purpose function if fundraising proceeds are not sufficient to cover reasonable costs. Available revenue in the Classes and Clubs (5003) program, General Activities (0165) function, may also be used to subsidize reasonable costs.

Schools graduating at the same site on the same day usually divide the cost of the flowers for the stage.

What is the procedure for student payment for caps and gowns?

Money for student caps and gowns can be collected according to school procedures. Price should be rounded off to the nearest dollar. All funds must be deposited into trust account 5004-0408.

Who pays for the caps and gowns for faculty, staff, and other honorary guests?

The rental of gowns for faculty, staff, and other honorary guests involved in the commencement ceremony may not be paid from student funds. At the principal's discretion, rental of caps and gowns for faculty and staff involved in the commencement ceremony may be paid from the Special Purpose function (5004-0458). Rental of caps and gowns for the School Board Members and the Superintendent's Senior Staff (including Region staff) will be paid for by School Operations. The school site is responsible for the rental of gowns for any additional platform guests.

What is the procedure for the conferring of diplomas?

At the **conclusion** of the ceremony, the principal should state the following:

As principal of _____ Senior High School, I certify that these seniors have met all of the requirements set forth by the Miami-Dade County Public Schools and the state of Florida. By the power vested in me, I hereby declare the Class of 20 to be graduates of _____ Senior High School.

How is the tassel worn?

Traditionally, the tassel is worn on the right side of the mortar board until the principal at the conclusion of the ceremony officially and formally confers upon the recipients the status of graduate. The tassel is then moved from the right side to the left side of the mortar board.

What if I need a piano for graduation?

If a piano is needed, the school must make its own arrangements with the facility or an outside vendor.

What safety precautions should be made for individuals walking up and down stage stairs?

The principal will ensure that an adult is positioned at each stairway as guests and students ascend and descend onto the stage and return down the steps. Their specific role will be to ensure that assistance is available and provided to each person walking up and down the stairs. This shall be offered at any graduation site that provides temporary stairs leading on to the platform/stage without rails on each side of the steps.

What are the procedures concerning diploma plaques?

If your school makes diploma plaques an option for graduates, ensure that you provide a list of the non-graduates to the vendor prior to the ceremony so that those plaques are pulled and not sold.

What about the selling of food during graduation?

Schools are not to sell food. At certain graduation sites, food service may be optional. No alcoholic beverages are to be served or permitted on the premises.

How long may a graduation ceremony be delayed?

For reasons of crowd control, schools should make every effort to begin the graduation at the appointed time. No graduation ceremony should begin later than 15 minutes from the designated start time.

What is the proper procedure for a graduation recessional?

Students should recess first. All platform guests should remain on stage until all graduates have exited.

How long should a graduation ceremony last?

A graduation ceremony **should not exceed two hours**. Even schools with large graduating classes should be able to complete the ceremony within this time frame.

What are the protocol guidelines for the processional order and introductions of M-DCPS' personnel and guests at graduation ceremonies?

The School Board of Miami-Dade County, Florida, extends the courtesy of "The Honorable" to all elected officials. "The Honorable" is used in addressing, orally and in writing, elected officials at the federal, state, county, and city levels. Staff members should not be addressed as "The Honorable" unless they also hold elected offices. "The Honorable" is used before an elected official's name, not title, and may be used to address former elected officials, though without their formal titles. For further explanation, please consult *Protocol Guidelines for Official School Board Events*.

What are the protocol guidelines for the introductions of School Board Members and Board Administrative Assistants at graduation ceremonies?

Any time a member of the School Board of Miami-Dade County, Florida, is in attendance at a graduation, the School Board Member should be introduced publicly at the beginning of the program as indicated on pages 7 and 8. If a School Board Member and his/her Administrative Assistant are in attendance, the protocol is to only introduce the Board Member. In accordance with the District's Protocol Guide for Official School Board Events, School Board Members should be introduced in order of precedence. The order shall be: School Board Chair, School Board Vice-Chair, and School Board Members (in alphabetical order). In the event a School Board Member is not present but the administrative assistant is, the administrative assistant should be introduced as representing the Board Member. Introduce all School Board Members first and then the administrative assistants representing School Board Members. Introductions of Board Members and/or administrative assistants should be done in the following order: Chair, Vice Chair, and Board Members in alphabetical order. Following the introduction of present Board Members, the introduction of administrative assistants representing School Board Members should be completed in the order of their respective Board Members: i.e., the administrative assistant to the Chair first, then the Vice Chair's administrative assistant, then the remaining administrative assistants according to their Board Member's alphabetical ranking.

When addressing a School Board Member in public, use the appropriate title to demonstrate respect for the office. (Example: "Good afternoon, School Board Member Johnson.")

Sample Introductions:

The Honorable (Full Name), Chair of the School Board of Miami-Dade County, Florida

The Honorable (Full Name), Vice-Chair of the School Board of Miami-Dade County, Florida

The Honorable (Full Name), Member of the School Board of Miami-Dade County, Florida

- You may choose to honor designated students by having them lead the processional or sit on the stage. Remember that we have three classifications now: summa cum laude, magna cum laude, and cum laude.
- Prior to the beginning of the ceremony, reminders should be given from the stage by a designated individual concerning the proper decorum. These reminders should be given in English and in any other language the school deems appropriate.

- Provisions must be made for the collection of gowns either at the graduation site or at the school site. Schools must assign a faculty member, other than the Activities Director, to coordinate the collection of gowns at the graduation site.
- Leave the graduation site areas used by the school as neat as possible. Other schools will be following you.
- Send "Thank You" letters to guests and School Board Members who attend.

What are the guidelines concerning posthumous conferring of high school diplomas to parents of deceased students?

- Deceased students who were enrolled in grades 9-12, may be recognized during their graduating class commencement ceremony.
- Recognition of deceased students will not be marked as an official graduation. Therefore, student credits will not be a consideration for parent(s)/guardian(s) participation.
- Seat the parent(s)/guardian(s) of the deceased student(s) in a VIP section located in close proximity to the stage
- At the beginning of the roll call, announce the deceased student's name and have the parent(s)/guardian(s) walk on stage to receive a posthumous diploma on behalf of their child.

Activities Directors' Suggested Timeline for Graduation

From *M-DCPS Student Activities Handbook*
Graduation Responsibilities – Pages 96-98
<http://athleticsactivities.dadeschools.net>

Graduation planning begins in early October with the ordering of student caps and gowns and continues through the graduation ceremony when financial obligations are finalized. This necessitates the cooperation and coordination of students, faculty, and administration.

The following list includes important items which must be considered and suggested times to accomplish tasks:

1. Request the site, date, and hour of the ceremony from the Division of Athletics, Activities and Accreditation. (October)
2. Students should be measured for caps and gowns, fees collected, and the order submitted. Additionally, order items for honor students. (Finalization by January)
3. Order buses to transport the band, the chorus, and faculty members to the ceremony as needed. (January)
4. Confirm faculty members and administrators' participation in ceremony and order the faculty gowns. (February)
5. Order flowers/foilage for stage. (February)
6. Arrange for the following: ticket takers, audience control, guest parking, collection of caps and gowns, distribution of diplomas, and delivery of diploma covers to the site. Be certain that each person understands his/her responsibilities and how to perform them. (February)
7. Develop a floor plan for the assigned site and, depending on the site, determine the number of guest tickets that each graduate will receive. Keep in mind that fraudulent tickets may be a problem that arises. Leave empty seats for this possibility. (March)
8. Attend the site meeting for your graduation site. (March)
9. Identify and confirm program participants, e.g., organists, student ushers, and the person(s) to read the graduates' names. (March)

10. Prepare the program, verify the list of graduates, and carefully proof the program for final printing. Submit to Region Office for approval. (March/April)
11. Develop an alternate entry/line-up plan in case of rain. (This can be difficult; call an experienced colleague for assistance.) (March)
12. Identify students and faculty to assist backstage. (March)
13. Design and order tickets to be printed. If fraudulent tickets are a concern, order tickets that are extremely difficult to replicate. Distribute the tickets as close to the ceremony as possible to cut down on the time available to counterfeit them. (March)
14. Maintain constant communication with the school registrar concerning the status of graduates and update the graduation list periodically after April 1st. Ensure the registrar has ordered posthumous diplomas for deceased students, if needed. (April)
15. Communicate, in writing, with the facilities manager at the graduation site to finalize arrangements for the set up of furniture and equipment. (April)
16. Determine the position of each graduate in the processional, the seating arrangements, and the recessional. (May)
17. Pull the gowns for the non-grads. Distribute gowns, name/photo cards (marching cards) to students who will be participating in the ceremony. (May)
18. Make sure that all of the seats available to you for the audience are open and not blocked. If needed, contact the Division of Athletics/Activities and Accreditation for assistance. (May)
19. If your school makes diploma plaques an option for graduates, ensure that you provide a list of the non-grads to the vendor prior to the ceremony so that those plaques are pulled and not sold. (May)
20. Post a sign for all ceremonies being videotaped. The sign should indicate that the event is being videotaped and, that by entering the event, the person is consenting to be videotaped.

HELPFUL HINTS:

1. Use persons familiar with students for diploma distribution, preferably homeroom teachers and/or guidance counselors.
2. Make arrangements for transporting graduation gown boxes to the graduation site. (Only if gowns are collected on-site).
3. Secure the assistance of the speech instructor to work with student program speakers.
4. Secure the assistance of faculty members to maintain order and control in the processional lines, as well as during the ceremony. (They should be seated with students.)
5. Arrange for extra diploma covers, caps, gowns, collars, tassels, and other paraphernalia to be taken to the graduation site.
6. Prepare gift bags for dignitaries to be placed on stage. Each gift bag should contain water, tissues, hand sanitizer, mints and a thank you note.
7. Ensure script is on podium and is labeled with all speeches
